

A black pattern piece for a hat, featuring a curved top edge and a straight bottom edge. The piece is centered on a white background. The text "Cut 2 from Felt" is printed in white on the black shape.

Cut 2 from Felt

Instructions:

(If you want your fin to be stiff, you will need to iron some interfacing to the inside of one of the fins before sewing them together)

*Place the fins together and sew 1/4 inch seam around the fin and across the red line on the pattern. Leaving the end flaps un-sewn.

Open the flaps and safty pin them to the back of a t-shirt. Done!
